- Now available to public: www.evusaregion1.org
- Wiebke familiarized herself with the web editing program and was able to make most of the requested changes. There are still some club pictures missing and she's waiting for the updated and approved by-laws and new list of competitions.
- However, I believe we can publish the link so everyone can take a look at it.
- For the future:
 - we will need to find someone to keep the website up to date and do the edits.
 - Wiebke doesn't have enough hours in the day to take on this project.
 - Maybe Elyse and the Youth Council could take over?
